Online Testing for End of Course Test

The South Carolina Department of Education, Office of Transportation is moving toward online testing for the classroom end of course test. The test will be based in Moodle, the web-based program we use for our online professional development training. You will need to have your Moodle account set up before the day of the end-of-course test.

To access the test site, you will first need to have a valid e-mail address. It does not have to be district issued...Yahoo Mail, Hotmail, Google Mail will be fine. If you do not already have an e-mail account, you can go to one of the following links to create one, free of charge:

Yahoo -- <https://mail.yahoo.com>

Hotmail -- <https://signup.live.com/?lic=1>

Google -- <https://support.google.com/mail/answer/56256?hl=en>

Once you have an e-mail account, go to this link to create your Moodle account:

<https://scdetransportation.mrooms.net/login/signup.php>

The Moodle Account Setup Page looks like this.
